UNRIVALLED REMEDY. UNRIVALLED REMEDY.

" 91. Commercial Road, Peckham, July 19. "D at Siz -I am a poor hand at expressing my feelings, but I should like to thank you. Your logenges have done wonders in relieving my tarrible cough. Since I had the operation of Trachectomy (the same as the late Emperor of Germany, and unlike him, thank God, I am still alive) performed at St. Bartholomew's Hospital, no one could possibly have had a more vicient cough; it was so had it times that it quite exhausted me. The mueus, which was very Bray, Master, will load here for the above Port, able to get rid of it without difficulty. I am, sir, yours truly, J. HELL."
MEDICAL NOTE.

The above speaks for itself. From strict inquiry appears that the benefit from using Keating's 153 Cough Lozenges is understated. The operation was a specially severe one, and was performed by the specialist, Dr. H. T. Rutlin, of St. Bartholomew's Hospital. Since the operation the only means of relief is the use of these Lozenges. So successful are they that one affords immediate benefit, although from the nature of the case the threat irritation is

intense: UNRIVALLED TESTIMONY. Under date Sept. 8th, 1891, Mr. Hill again writes: I should long since have been dead, but for your Lozengos -they are worth their weight in gold. I will gladly soo and tell anyone what a eplendid cough remedy they are."
